

STUDY AND ORGANIZATION SKILLS FOR SCHOOL SUCCESS

ONE WEEK SUMMER CLASSES FOR CHILDREN ENTERING GRADES 4-9 TAUGHT BY JUDITH STERN, M.A.

WHY:

This intensive class introduces and expands upon the many skills that all students need in their everyday learning. During the school year, there is little time to work specifically on the skills that cause difficulties for so many students. Once students learn how to organize themselves better for learning, they will gain valuable tools for use during the rest of their school career. Parents and teachers report that children clearly benefit from the time spent developing these study skills in this week-long class, and enjoy themselves as well!

WHAT:

Topics to be covered include:

- Studying for tests
- Reading for information
- Outlining, webbing
- Listening skills
- Time management
- Organizing notebooks
- Following directions
- Homework suggestions
- Notetaking

WHEN:

Classes run for ***one and a half hours daily for five days***. Choose from morning or afternoon classes.

WHERE: Rockville, Maryland

FEE: \$175 for one week
