

Summer **STUDY AND ORGANIZATION SKILLS** Classes FOR CHILDREN ENTERING GRADES 4-10

Led by **Judith Stern, M.A.**
www.JudithSternEducationalConsultant.com

This intensive one week class introduces and expands upon the many skills that all students need in their everyday learning. During the school year, there is little time to work specifically on many of these important skills. Once students learn to organize themselves better for learning, they gain valuable tools for use during the rest of their school careers. Parents report that children benefit from the time spent developing study skills in this summer class, and kids admit that they enjoy themselves as well!

Topics to be covered include:

- Studying for tests
- Listening skills
- Following directions
- Reading for information
- Time management
- Homework suggestions
- Outlining, webbing
- Organizing notebooks
- Note-taking
- Memory strategies

Classes run for **one and a half hours daily for five days** in Rockville, Maryland.

ABOUT THE TEACHER:

Judith Stern, M.A. is an experienced classroom teacher, certified learning disabilities specialist, and reading specialist. She has a private practice in Rockville, where she consults with parents and teachers on children's learning skills, homework issues, study skills, Attention Deficit Disorder and Learning Disabilities. She is a national education speaker and co-author of five books for children on L.D and A.D.H.D., as well as the book *The Dyslexia Checklist: A Practical Reference for Parents and Teachers*.
